Go Wear Buses Service Changes Effective from Saturday 6th October 2001

As a result of changes to travel patterns, rising operating costs and increasing traffic congestion, it has become necessary to review our services. Feedback received from our customers has been used to confirm a number of service revisions, with a number of journeys being retimed, rerouted or under utilised services withdrawn. Additionally a number of key links have been strengthened, and various new links introduced to reflect the needs of all bus users.

Services 35, 35A & 36

Monday to Friday morning journeys will operate up to 5 minutes earlier with daytime journeys between Sunderland Interchange and South Hetton operating up to two minutes later. Timing revisions will improve reliability between South Shields and Sunderland Interchange.

Service 37

This service will no longer operate to South Shields, with journeys running between Sunderland and Seaham only. In Sunderland service 37 will operate via Burden Road and Holmside to maintain access to shopping areas.

Service 126

Running time of this journey will be increased as a result of worsening traffic congestion. Monday to Saturday buses will still run a frequent service. Improved Sunday frequency with buses every 15 minutes during shopping hours.

Service 133

Running time of this journey will be increased as a result of worsening traffic congestion. Monday to Saturday buses will still run a frequent service. Improved Sunday frequency with buses every 15 minutes during shopping hours.

Services 135 & 136

As a result of reliability problems, daytime journeys on service 136 will be re-routed when returning to Sunderland. Service will now operate via St Michaels Way, Green Terrace, Vine Place and then continue as service 135 via Fawcett Street Empire before returning to current route. Evening and Sunday buses will still operate from the Interchange via Green Terrace, omitting the City Centre. All journeys will be operated by Easy Access buses.

Service 137

Minor timetable changes to improve reliability, with later evening buses on Monday to Saturday. New Sunday morning buses with improved service during shopping hours.

Services 151 & 152

Slight retiming to improve reliability between Burden Road and Sunderland Interchange. In response to customer requests, one bus each hour will operate via East Moor Estate in Murton.

Services 160 & 163

To improve reliability, Monday to Friday morning journeys will be retimed to run up to two minutes earlier from New Lambton to Sunderland, and one minute earlier from Heworth to Southwick. In Southwick buses will observe stops at The Green rather than at the Church.

Service 161

To improve reliability, Monday to Friday morning journeys will depart up to five minutes earlier with daytime journeys running up to two minutes later.

Service 183

Most journeys will run approximately 15 minutes later than at present to provide a more even headway between buses in the Dunston area.

Services 185, 187 & 188

Most service 185 and 187 buses will be retimed by up to 5 minutes. Additional 185 bus will run from Sunderland to Concord at 6.13pm. In Southwick buses will observe stops at The Green rather than at the Church.

Services 220 & 222

Evening and Sunday journeys will be diverted via Doxford International Business Park, with some minor timetable revisions. To improve reliability Monday to Friday morning journeys will be retimed to run 5 minutes earlier with daytime journeys departing Sunderland Interchange 2 minutes later.

Services 310 & 319

Frequency of journeys between Sunderland and Jarrow will be increased to run every 15 minutes. During Monday to Saturday daytime, two buses each hour will run via Morrisons store in Jarrow.

Service X2

To improve reliability some minor timetable revisions will be implemented.

Service X4

Timetable will be revised with increased running time to maintain reliability.

Service X5

To improve reliability this service will be retimed to operate 5 minutes earlier from Newcastle and 4 minutes earlier from Hartlepool.

Services X61 & X64

Retimed to run up to 5 minutes earlier (to relieve congestion at Sunderland Interchange).

Service X90

To improve reliability this service will be retimed to operate 4 minutes earlier from Newcastle and 6 minutes earlier from Seaham.

Service X94

To improve reliability this service will be retimed to operate 5 minutes earlier from Newcastle and 4 minutes earlier from Easington Lane.

Service X95

To improve reliability this service will be retimed to run 6 minutes earlier from Newcastle and up to 6 minutes earlier from Sunderland to Newcastle.

Service X97

To improve reliability this service will be retimed to run 6 minutes earlier from Newcastle.

The boxes are colour coded to provide an indication of our cheapest fare, when using the most direct service for your journey. This is correct at the time of distribution, October 2001.

Where the box you identify is 'via somewhere' eg -
 you will need to make two journeys, changing at the place shown in the box. You should then use the grid as explained below, for each part of the journey to identify services/fares.

Help us to speed up your journey!

Please:

- give a clear hand signal to show the driver you want the bus to stop for you
- if you have a pass or permit, have it ready to show the driver as they need it to confirm your entitlement to reduced/free travel
- state your destination
- have the correct fare ready

Thank you
