## **REVISED BUS SERVICES IN THE SEAHAM AREA**

**Commencing Saturday, 5th June, 1976**

This scheme has been jointly designed by Durham County Council and Northern General Transport Officers in an attempt to provide an efficient network of bus services in the Seaham area and to create a number of new links including a new facility between Seaham and Peterlee. (See new Service 233).

The booklet contains details of changes to the following services X8, 140, 143/144, 145/146, 147, 148, 149, 150, 151/2, 154 and 155.

## DETAILS OF SERVICE REVISIONS

- Service Number
- X8 Jarrow - Parkside**  
This service will terminate at Dawdon instead of Parkside and will replace one bus per hour on Service 143.  
Service X8 will also operate via Station Road stopping at Duke Street, Mill Inn, Ryhope General Hospital, Ryhope Green and Grangetown. All bus stops between Seaham Harbour and Dawdon will be observed by this Service.  
The Jarrow - Sunderland section of route will be abandoned.
- 140 Sunderland - Deneside**  
Service withdrawn. New Service 233 will provide a link between The Avenue and Sunderland.
- 143/144 Sunderland - Dawdon/Parkside**  
Service 143 will be reduced to hourly throughout the day. This reduction will be balanced between Sunderland and Seaham Harbour by the introduction of new Service 233.  
In the evenings and on Sundays Services 143 and 144 will provide a joint 30 minutes frequency operating alternatively to Dawdon and Parkside. Service 144 will be re-routed via Seaham Rail Station, using Tempest Road and Dene House Road in place of Service 145 to provide a direct 30 minute Service between the Railway Station, Town Centre and Parkside.
- 145 Seaham, Rail Station - Parkside, Shops**  
**146 Seaham Harbour - Parkside, Heathway**  
Service 145 will be withdrawn from Seaham Rail Station and will instead serve Candlish Terrace in place of Service 149.  
Services 145 and 146 will both terminate at Parkside, Heathway.

- Service Number
- 147 Seaham - Mount Pleasant**  
Frequency reduced from five to two buses per hour. New Service 233 and the re-routing of Service 154 via The Avenue will provide a joint 15 minute frequency with Service 147 between Seaham and Mount Pleasant.
- 148 Seaham - Houghton-le-Spring**  
Service withdrawn on Sundays. On weekday evenings a limited service will operate between Seaham and Seaton Village only.
- 149 Seaham, Candlish Terrace - Murton**  
Service to terminate at Seaham Bus Station and to be re-routed in Murton to serve Cornwall Estate operating via Pit Road, Penryn Avenue, Mann Crescent, Burnip Road, Webb Avenue, Barnes Road, to Davidson Crescent. Journeys to Seaham will operate from Davidson Crescent via Hills Crescent rejoining the normal route at Webb Avenue.
- 150 Peterlee - Murton**  
Additional late journey from Peterlee throughout the week.
- 151/152 Sunderland - Thornley/Easington Lane**  
Revision to late journeys from Sunderland throughout the week and Sunday lunchtime.
- 154 Seaham - Durham**  
This service will be re-routed so as to operate via The Avenue.
- 155 Dawdon - Mount Pleasant**  
This Service will be reduced to hourly except on Sundays when the 30 minute Service will be maintained.
- 233 Sunderland - Peterlee**  
This new service will operate hourly between Sunderland and Peterlee via the Coast Road, Seaham Harbour and The Avenue.  
On weekday evenings and Sundays Service 233 will operate between Seaham Harbour and Peterlee only.
