

NEWCASTLE

Changes to Services 1, 6, 7, 8, N1, N30, N39, N40, N88

From Sunday 7 July 2019, there will be some changes to services.

SERVICE 1: As with previous summers, Service 1 buses during Monday to Saturday daytimes will be revised to run every 10 minutes, reflecting the lower number of customers who use the route at this time of year. All buses will run Slatyford - Cruddas Park - City Centre - Heaton - Cochrane Park - Coach Lane Campus, with buses then extending every 30 minutes to Cobalt.

During the summer period, Service 1 will not serve Buddle Road. However, it will return to Buddle Road from Monday 2 September 2019, and Services 32/32A will continue to serve Buddle Road during the summer.

Evening, Sunday and Bank Holiday Service 1 buses continue unchanged, running every 15 minutes.

SERVICES 6,7,8: To assist reliability, and to better reflect current traffic conditions, some journeys will be revised to run slightly earlier or later.

Services N1, N30, N39, N40, N88: Due to the very low number of customers travelling, these Nightbus services will be withdrawn after their overnight journeys on Saturday 6 and Sunday 7 July 2019.
